

# North West Paget's Meeting

Reg. Charity No: 266071

**Want to know more about Paget's disease?**

**Is treatment available?**

**Want to talk to other people with Paget's disease?**

**Do you want information about the ZiPP Study?**

**If any of the above is YES then attend this meeting to get all your questions answered**

The aim of the meeting is to provide general information about Paget's disease including the new ZiPP Study being undertaken by Professor Ralston from Edinburgh. We would also like to hear from people with the condition about the things which may make it easier to manage their care. The meeting is open to anyone interested in Paget's disease and who would like to meet others with the same condition and some of the leading experts in the field.

**Wednesday, 10<sup>th</sup> March 2010**
